Privacy Statement

Authority and Purpose: The Immigration and Nationality Act, as amended, (8 U.S.C. 1103, 1183, 1226, 1229c, and 1363) authorizes the collection of this information to provide for the posting, maintenance, cancellation, and breach of cash immigration bonds, and for associated financial management activities, including collection of unpaid monies, reimbursement of the bond principal, and the calculation, payment, and reporting of interest. ICE needs obligor identity and address information so that it can communicate with the obligor, and make payments of interest and principal owed to the obligor. The Internal Revenue Code (26 U.S.C. 6109) and Executive Order 9397 authorize the collection of the Social Security number (SSN).

Disclosure: Furnishing this information is voluntary; however, failure to provide it will result in the non-issuance of the immigration bond. For cash bonds, your SSN is necessary to pay interest through the U.S. Treasury Department and to comply with Internal Revenue Service requirements to report interest payments.

Routine Uses: This information will be used by and disclosed to DHS personnel and contractors or other agents who need the information to support the enforcement of immigration laws and the provision of immigration benefits. DHS may share this information with the U.S. Treasury Department to report interest paid to an obligor, and to facilitate payments to or collection of monies owed by an obligor. DHS may also share this information with the U.S. Justice Department and other Federal and State agencies for collection, enforcement, investigatory, or litigation purposes, or as otherwise authorized pursuant to its published Privacy Act system of records notice.
