Subject: USCIS Message: Reminder for Form I-821D, Consideration of Deferred Action for Childhood Arrivals

Dear Stakeholder,

We would like to remind you that a revised [Form I-821D, Consideration of Deferred Action for Childhood Arrivals](#), is available for use. The revised Form I-821D is dated June 25, 2013. The deadline for using previously accepted versions was September 9, 2013. USCIS is experiencing a high rejection rate for Form I-821D as a result of customers submitting outdated versions of the form. Please be sure to submit the June 25, 2013 edition of Form I-821D when requesting deferred action for childhood arrivals.
