During the first 30 days after this notice takes affect, USCIS will forward incorrectly addressed Form N-400s to the proper address, rather than reject it. USCIS will forward any improperly addressed Form N-400s covered by this notice as follows:

- Any Form N-400 from Armed Forces applicants and the spouses of current members of the Armed Forces will be forwarded to the Nebraska Service Center.

Any applications forwarded within this time period will be considered properly filed when received at either the Dallas or Phoenix lockbox facilities, or the Nebraska Service Center. After this 30-day transition period, any Form N-400 covered by this notice, which is received at a location other than the appropriate location as defined in the updated Form N-400 filing instructions provided in this notice, will be returned with an explanation directing the applicant to mail it to the appropriate processing facility.

Is USCIS amending the Form N-400 Instructions?

Yes. USCIS is currently amending the instructions to the Form N-400. The revisions will include the new filing addresses, the requirement for passport style photos and the revision will provide clarification of the grounds for rejection of an application. When available, the new form will be posted on the USCIS Web site (<http://www.uscis.gov>).

Where may I find information related to eligibility requirements for naturalization?

You may find general eligibility requirements for naturalization at our Web site (<http://www.uscis.gov>). You may also download "A Guide to Naturalization (Form M-476)," which provides information on the benefits and responsibilities of citizenship, an overview of the naturalization process, and eligibility requirements.
