

Dear Stakeholder,

U.S. Citizenship and Immigration Services (USCIS) would like to remind you that individuals requesting deferred action for childhood arrivals (DACA) must submit two passport-style photographs with their [Form I-765, Application for Employment Authorization](#). This is required for both initial and renewal DACA requests. The photographs should be in color and taken within 30 days of filing the DACA request. For more information, please review the [Form I-765 Instructions](#) on [www.uscis.gov](http://www.uscis.gov).

Kind regards,  
U.S. Citizenship and Immigration Services
